Do You Know?

That we repair more watches than any other firm between Topeka, Kansas and El Paso, Texas?

Do You Know...

That only satisfactory service could be responsible for such a volume of business?

Do You Know...

That you watch should be cleaned and oiled at least once every eighteen months? All railroads require this of their employees. "There's a Reason."

Do You Know...

Others bring us their work regularly---there's a reason too---service they appreciate. We invite you to join our customer's list.
